## Pediatrics

a department of Northern Regional Hospital

### “NO SHOW” Policy

Patients are expected to come and be on time for all appointments unless the office is notified at least one hour before the scheduled appointment time. Not coming for the appointment is considered a “no show” incident. Arriving late by 15 minutes or more is also considered a “no show”, and you will be asked to reschedule the appointment. There may be a \$50.00 fee assessed for “no show” incidents. After the third “no show” incident patients will be sent a letter advising them to find another physician, and will be discharged from the practice.

Thanks,  
Northern Pediatrics
